Asparagus

Supply is tight with sizing issues. Most product is coming from Peru. Prices are up

Avocado

Market supply has bounced back with huge harvest. Prices are coming down as well

Bananas

Demand on this item remains firm and supplies are expected to remain good through the rest of the year.

Broccoli, Cauliflower, Broccoli Brussels Sprouts and Green Onions

Broccoli – Supplies will remain tight during transition to Yuma.

Cauliflower-Supplies will remain tight for the next week while transition to Yuma occurs

Broccoli - Market is back to normal and prices are back to being stable.

Brussels Sprouts- Supplies are steady

Green Onions – Market tightened up with recent rains. This applies to both iced and iceless.

Berries

Strawberries - Market has tightened up with the rain in CA and low production

Raspberry - We are seeing some shortages in supply and prices is high. Quality is good.

Blackberries - The market has started to ease and price has come way down. Quality is fair with the recent heat wave but supply has picked up.

Blueberries - Volume is up and quality is good. Prices are stable.

Bell Peppers and Peppers

Green Bell

Red Bell

Yellow Bell Pepper

All peppers are short on supply as field transitions occur

Carrots

Quality is good and so is the supply

Corn

Yellow Corn – SUPPLY EXTREMELY SHORT, PRICE IS RISING FAST

White Corn- SUPPLY EXTREMELY SHORT, PRICE IS RISING FAST

Citrus

Limes – The market is starting to stabilize, pricing will level out as new crop comes in

Lemon - California season has begun which should help the market

Oranges - This might become even shorter in supply and will probably last until the domestic navel crops begin

Eggs

Product is back to normal supply and prices have stabilized. Market is expected to remain good for Summer months

Eggplant

Both sizes are in good supply.

Grapes

This is continuing to be a mixed market out of the Central market out of the Central Valley based on sizing. Smaller size is more consistently available and better quality on both red and green colors. We are seeing good volume in supply and price remains stable.

Kiwi

California supplies are very limited with prices increasing. Market is expected to remain firm for next 4 weeks until supplies pick up.

Lettuce

All lettuces are tight due to shortage and demand stemming from the romaine problem.

ROMAINE- All our sources are from Yuma area. We have no product from Salinas or Nor Cal.

Green and Red Leaf -

Iceberg lettuce -

Butter lettuce -

Mushrooms

Mushroom growers are still recovering from the severe damage and supply will be affected for several months . We are starting to see some improvements of supply and will keep you informed of any changes.

Melons

Cantaloupe - Production is slowing down, sizing is getting smaller, and brix are low.

Honeydew - Production is same as Cantaloupe.

Pineapple

Sizing is Improving, and we will have good volumes October through

Potatoes

Idaho - supplies are tight on larger size and prices are higher than normal due to the delayed planting earlier this year caused by the weather. Washington supplies are good and prices remain stable.

Yukon bakers - Availability is limited and pricing remaining higher than normal

Russet - Quality is getting better while pricing is coming down - two months

Kennebec - Very short right now and the quality is fair at best.

Squash

Local crops in good supply and quality is very good with low prices as supply is currently exceeding demand.

Tomatoes

Round- EXTREME- supply has tightened up

Romas- EXTREME - Switching fields, supply is tight and an early freeze did not help

Grapes- Product is gapping and will improve over next two weeks

Cherry- supply is marginal, quality is down

Heirloom-both cherry and regular are slowing down.
