Fruits/Vegetables in season

June 18th 2020

Artichokes

Supply and quality are steady and should remain this way. All sizes are currently available.

Asparagus

Supply is down and product is becoming very tight. We are hearing product is expected to remain tight in supply for next 3-4 weeks. If using medium we are sending large due to medium size showing as true pencil.

Avocado

Fruit is of good quality and in good supply with only a few bumps during the pandemic thus far.

Bananas

Steady supply with good quality

Broccoli, Cauliflower, Broccolini, Brussels Sprouts, and Green Onions

Broccoli – Supplies are diminished with the heat and harvest gap. Prices are very high and expected to remain high for next few weeks

Cauliflower-Supplies are short in supply but are expected to get better. Broccoli is tighter than cauliflower.

Broccolini – Supplies are steady, and prices are stable

Brussels Sprouts- quality is fair and supply is light as price tends to increase during summer months

Green Onions – Market is steady, and prices are low. Supply is strong

Berries

Strawberries – steady

Raspberry – supply is steady

Blackberries – Supply is steady

Blueberries – Supply is steady

Bell Peppers

Green Bell – Good supply and prices are stable.

Red Bell – Good supply and prices are stable.

Yellow Bell Pepper – Good supply and prices are stable.

Carrots

Jumbo carrots are in tight supply. Covid growing shortages and weather has influenced crops nationwide.

Celery

Supply is good with field transitions to Salina in the next 2-3 weeks

Cilantro

Supply and quality are down due to previous rains affecting current fields. This will trend the next 2-3 weeks

Corn

Yellow Corn – Low supply and prices are high. Expected to remain high for next 3-4 weeks

White Corn- Low supply and prices are high. Expected to remain high for next 3-4 weeks

Citrus

Limes – Supply is steady

Lemon – Supply is steady, and quality is good

Oranges – Supply is steady, and quality is good

Eggs

Product is at normal supply

Eggplant

Supply is fair with good quality

Garlic

Domestic garlic is in short supply due to numerous plants that did not develop.

Chinese garlic is low due to high tariffs being applied as well as reduced labor surround coronavirus outbreak.

Grapes
